Welcome to our Spring 2018 Newsletter! Spring officially begins on Tuesday 20th March so hopefully we will start seeing some nice weather soon!

Our Birthday!

It has been 3 years in March since Denuvo Dental first opened its doors! We have had a lovely celebration to mark this special occasion. Thank you to all of our loyal patients who have helped us become the Practice we are today! Also in March we have Katie, Lorraine AND Emma's birthdays! March is certainly a fun (and expensive) month at Denuvo!

We now have a new banner on the front of the Practice! The team enjoyed the photography session and were showing off their best poses!

Sue's Sponsored Run!

Our inspirational Head Nurse, Suzanne, is running the Great Manchester Run this May in order to raise funds and awareness for Alzheimer's Research UK. We have already had some very generous donations from our lovely patients who have sponsored Sue through her sponsorship form which we have on Reception. Sue also has a JustGiving page- www.justgiving.com/fundraising/suzanne-reid4 If you would like to sponsor Sue and help the fight against Alzheimers, please feel free to donate!

Denuvo Dental is now a registered "Dignity Champion!"

The Dignity in Care campaign was launched in November 2006, and aims to put dignity and respect at the heart of UK care services. The campaign now has over 80,000 registered Dignity Champions - be they individuals or care organisations. They are part of a nationwide movement, working individually and collectively, to ensure people have a good experience of care when they need it. Here at Denuvo Dental, we have taken steps to ensure that any patient with a condition or disability that may affect their judgement or ability to consent, receive the right level of care/support in order for them to make informed choices. We liaise carefully with patients and their families to make sure we provide the right care whilst maintaining the dignity of our patients.
