Summer Edition

Welcome to our Summer 2019 Newsletter! We hope you enjoy reading and catching up with all the latest news. The whole team at Denuvo wish you a happy, warm and joyful Summer!

"And so with the sunshine and the great bursts of leaves growing on the trees, just as things grow in fast movies, I had that familiar conviction that life was beginning over again with the summer."

—F. Scott Fitzgerald, *The Great Gatsby*

New Faces

If you have attended the Practice in the last few weeks, you may have seen some new faces! With a heavy heart, our long-standing Nurse, Katie, decided to accept a new position a lot closer to home. Living in Padiham meant Katie was travelling a long way to and from work and she was struggling to maintain a healthy work/life balance. Since mid-May, we enlisted the help of a prestigious dental agency who supplied us with some fabulous Nurses in the interim. We took our time actively searching for the perfect person to take over the role of Mrs Hill's dedicated Nurse and after a few weeks, welcomed Vikki to the Practice.

Vikki started at Denuvo on 1st July and has been a welcome addition to our fabulous team. Watch out for Vikki's bio which will be live on the website soon!

Congratulations Tom!

Another Graduation for Mr & Mrs Hill, as their third son followed in the footsteps of his two older brothers- James & Daniel. Tom, recently graduated from University and had his graduation ceremony at the Anglican Cathedral Liverpool. Ever the proud parents, Janet & Jonathan enjoyed every second and had a wonderful time. Tom graduated as a Bachelor of Science with Honours and no doubt has an incredibly bright future ahead of him. Congratulations Tom!

Sue's Latest Fundraiser

She's been at it again! We are so proud of our Head Nurse, Suzanne Reid, for completing the Hospice to Hospice Walk 2019 with her beautiful fur-baby Missy! The Hospice to Hospice Walk took place on Sunday 28th April and was hosted by Springhill Hospice, based in Rochdale. Sue and Missy walked a total of 7.25 miles and managed to raise a modest sum for Springhill Hospice. Well done Sue!

The road to recovery!

As most of our patients are now aware, Mr Hill underwent spinal surgery on 1st July. Mr Hill has struggled for the last 12 months with a slipped disc and recently, the pain became so great that the only option left was surgery. Mr Hill has recovered well and has been overwhelmed with the support, words of kindness and unexpected cards from his wonderful patients. Hopefully he should be getting the "thumbs up" from his Consultant towards the end of July to return back to work.

Thank you to everybody who has patiently supported us during the last few weeks, we really do appreciate it.

Invisalign Fever!

We are delighted to announce that we now have TWO Invisalign providers after Mr Hill completed the training 2 months ago, along with his Nurse, Sue. We had a very successful Open Evening recently and had access to the iTero 3d scanner (see left). If you would like to know more about Invisalign, please get in touch!
