*Welcome to our Summer
2022 Newsletter!*

Welcome to our first Newsletter of 2022! Summer is almost here and the sun is shining (for now!) so let's make the most of the wonderful weather.

"It was June, and the world smelled of roses.

Welcome Claire!

Our newest addition to our Reception team, Claire, joined the practice in 2022 and has really enjoyed becoming part of such a friendly and welcoming team. Claire qualified in 2006 and has over 18 years' experience in dentistry. You will usually find her on reception ready to welcome you into the practice. She enjoys interacting with patients, helping to put them at ease if they are nervous or apprehensive. In her spare time, she enjoys spending time with her family and going for long walks in the countryside.

Important Patient Notice

Following new and updated guidance, face masks are now optional when attending the Practice. We would still however recommend wearing a mask. Social distancing is still in place for now.

Thank you for your continued support.

A big well done to Sue for completing the 10K Great Manchester Run on Sunday 22nd May. Sue would like to thank everybody who donated to the fantastic cause which is the Stroke Association. We are all very proud of you Sue!

Invisalign Open Evening

We held an Invisalign Open Evening on Thursday 14th July and we are pleased to say we have 6 lovely patients who are about to embark on a Smile Journey to give them their dream smiles! We had Jonathan & Sue upstairs providing free scans and Janet, Emma, Hayley and Claire in Reception talking through the process with Janet answering any clinical questions our patients had. Between the popping of the Prosecco cork and the huge one-night only discounts, it was a great evening!

If you missed out on this evening, don't worry, we will be planning another in a few months' time!

★★★★★ a month ago

My first visit today as a new patient to see Mrs Hill. I have complex dental problems and was very nervous beforehand. My appointment lasted an hour, included x rays and a very detailed conversation where all my questions were answered and discussion re various treatment plans. I cannot praise this surgery enough, everyone is so welcoming and caring and I came out feeling a huge weight had been lifted after worrying for so long. A special mention for the delightful Emma on reception, who could not have been more kind. Now looking forward to beginning my remedial teeth journey and the final result

I can't recommend this practice enough. I visited Jonathan and Suzanne with little hope of ever feeling confident again. I received a first class service, a new smile and a tonne of confidence. I thank you both from the bottom of my heart. Not only are you fantastic dentists but amazing people too. (Including Emma on reception) Thank you.

Team Training!

The team had a great time practising their scanning skills on Jonathan recently! Jonathan was a great guinea pig allowing everyone to scan his mouth. We're sure the hour lying in the chair had nothing to do with him volunteering!

We have started routinely using our new iTero Scanner for certain treatments. Feel free to ask us for more information!
