2025 Highlights and News

Well done, Hayley!

Congratulations to our Senior Dental Nurse, Hayley, for climbing to the top of Mount Snowdon last year! We are really proud of Hayley (middle) for this great achievement, especially as she has a huge fear of heights.

Welcome Tracy and Angela!

Some of our patients will recognise Tracy & Angela from Ainsworth Village Dental Practice, where Janet used to work many years ago. We were delighted to welcome them to Denuvo Dental in December as part of our new reception team. It has led to quite a few confused, yet delighted faces from ex-Ainsworth patients attending their appointments!

Welcome Hannah!

Dr Hannah Shreeve joined our team as an Associate Dentist last Spring and has settled in very nicely! We can't believe it has been a year this month! Hannah works Tuesday mornings and all day Wednesday.

A big thank you to **Joe's Coffee** in Harwood for catering for our Practice training session last month! We had delicious hot sandwiches, decadent cakes and lovely, hot coffee. We would highly recommend. We do practise what we preach and try to limit sugar intake to mealtimes!

Double joy!

Janet & Jonathan were thrilled to welcome two beautiful grandchildren, only 2 months apart! Jude Blake arrived first in May and Lily Pearl soon followed in July. Also having celebrated their 30th wedding anniversary in September with a special cruise, 2025 was a very busy year for the Hill family!

What beautiful photos! Congratulations to Janet & Jonathan on their Pearl Wedding Anniversary!

Couldn't recommend Janet enough. I had composite bonding done on my two front teeth and teeth whitening. I'm 34 and I've always looked after my teeth but unfortunately didn't have the strongest enamel. I wanted a natural look and to make the best of my teeth for protection and to cosmetically feel more confident. The service was brilliant and I was made to feel really comfortable and safe. She listened to what I wanted and they look exactly how I wanted them to. Janet and Hayley are so friendly and professional and I am so pleased with my new teeth.
Thank you so much.

I cannot praise all staff enough at Denuvo Harwood. They always put me at ease and alleviate my fear of dentist. As a very nervous patient after a bad experience with previous dentist they were very patient and understanding and have gained my trust in dentists again. Thank you to all the staff.

REPAIR OF FILLING

I want to say a massive THANK YOU!!! to Dr Hanna Shreeve and the team at Denuvo. I could not have asked for a nicer and extremely skilled dentist. This was my first appointment with her.

She was so friendly, professional and explained every step of the treatment.

The treatment was carried out with my comfort in mind.

Excellent repair.

I have been with Dr Janet for a few years, and found her friendly and competent. I am an anxious patient and she has gone out of her way to accommodate me.
